

# CENTAURION LABS

*Automate Your Edge*

# Why Automate?

Precision, Scale, and Relentless Execution

# Resell Your Edge

**100+**

**Example Bots Sold**

Potential to scale beyond personal trading

**\$50**

**Example Monthly Fee**

Possible per bot subscription rate

**\$5K**

**Potential Monthly Revenue**

Illustrative recurring income

# Remove Emotional Trading

## Human Trading

- FOMO-driven entries
- Revenge trades
- Moving stop losses
- Impulsive decisions

## Bot Trading

- Rule-based entries
- Emotionless execution
- Fixed risk parameters
- Backtested discipline

# Never Miss the Market

## While You Sleep

Trade regardless of market time

## While You Travel

Execute from anywhere

## While Strategizing

Focus on improvement, not execution

## During News Events

Instant reaction to headlines

# Diversify Effortlessly

One strategy, infinite markets. No extra workload.

## Precious Metals

Gold, silver, and platinum  
without screen fatigue

## Stocks & ETFs

Nasdaq, S&P 500, and global  
markets with precision

## Cryptocurrencies

Bitcoin, Ethereum, and  
altcoins with 24/7 execution

## Forex & Commodities

Currency pairs and  
agricultural products

**Diversify risk without increasing your workload. Let automation handle execution while you focus on strategy development.**

# Backtest & Optimize

## Simulate Past

10 years of trades in 10 minutes

## Tweak Strategy

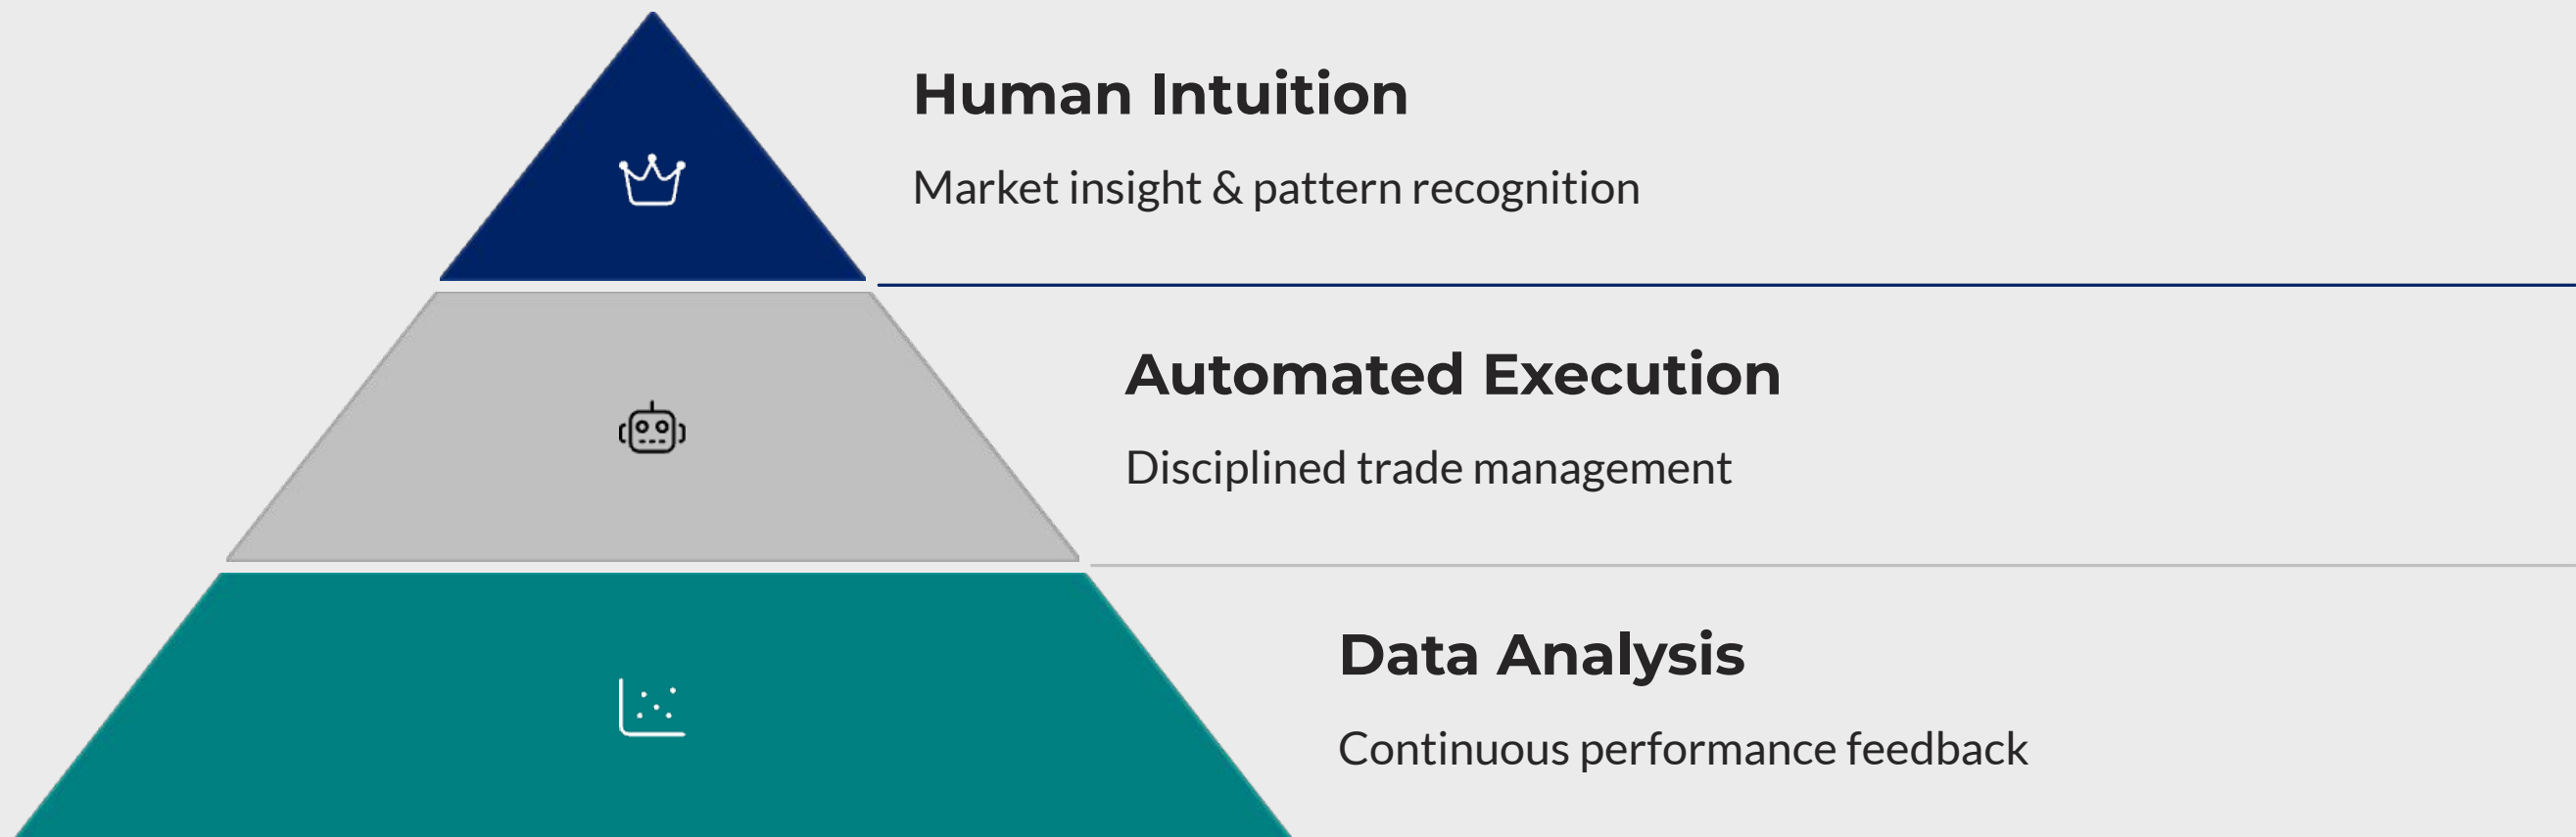

Optimize parameters, not psychology

## Project Future

Data-driven edge development

# Build Your Hybrid Edge

**Let's talk.**
